

## Cat Products: Edibles

### 1st Place

#### Bravo's Bonus Bites Treats line

has two new feline-friendly flavors. The freeze-dried North Atlantic lobster meat was selected for its nutritional value and pet appeal, the company reports. And cats will enjoy snacking on the dry-roasted all-natural duck feet treats, the company adds. The treats are made in the USA in the company's USDA-certified plant from antibiotic-free poultry, fresh fish and grass-fed red meats and come in Bravo's new eco-friendly packaging, according to the manufacturer.

### 2nd Place

#### Evanger's Dog & Cat Food Co.'s Signature Series for Cats

are slow-cooked, grain-free stews that are free from by-products, wheat gluten, blood plasma, grains and binding agents, the company reports. The main ingredient is real meat, and as an added bonus, cranberries and blueberries are included to help with urinary tract and bladder health, the company adds. Made in the USA, the available diets—Beef Stew, Chicken Stew and Turkey Stew—are offered in 5.5-oz. cans.

### 3rd Place

**OurPet's** Cosmic Catnip brand Catnip Bubbles are just like regular bubbles, but they contain pure catnip oil to release a strong aromatic fragrance that drives cats wild, the company reports. Cat owners simply blow bubbles using the enclosed wand to create a flurry of catnip-scented bubbles that cats can play with, chase and even eat, the company adds. The bubbles are formulated to be safe and nontoxic, and come in 5- and 10-oz. bottles.

## Gift Products

### 1st Place

#### Hugs Pet Products

presents the **Silicone Dog Treat Pan**, which owners can use to bake homemade, delicious and healthy treats for their dogs, the company states. Durable and dishwasher-safe, the product makes 10 3-in., bone-shaped treats, and each package includes quick and easy recipes, the company adds. The silicone pan is designed to remain cool to the touch and to bend for easy removal of baked goods. Its steel, reinforced rim adds stability for carrying to and from the oven or countertop, according to the company.

### 2nd Place

**K9Cakery.com** introduces the **Make At Home Gift Cake Kit**, which is sold in a countertop **Cake Shoppe POP** display for bakeries and retail pet stores. Designed to be a perfect all-in-one gift, the kit includes the following: all-natural, sugar-free peanut butter cake mix; frosting mix; a dog-bone-shaped microwavable cake pan; and a candle, the manufacturer states. The food products are made in the U.S., and the cake is microwavable and ready in under two minutes, the manufacturer adds. Happy Birthday and Good Dog packages are available. Each POP display comes preloaded with 12 cake kits.

### 3rd Place

#### Crunchkins presents its Bite Me line of Crunch Cards

They are a little sassier and racier, and perhaps a tad naughtier, but still the great quality, edible rawhide greeting cards people have come to expect for the special "bad" dogs in their lives, according to the company. The patented cards are made of 100 percent natural rawhide and are

printed with pet-safe, nontoxic ink, the company adds.
